Visit our website at ACHLcme.org/Temple_IPF
for complete faculty panel information

Join us for an interactive complimentary CME program designed to enhance your knowledge of IPF. Meeting highlights include discussion of guidelines for IPF diagnosis, pharmacotherapies/nonpharmacologic approaches to treat IPF, and strategies to encourage shared decision making. Our expert faculty panel will include national and regional clinicians and a patient advocate. An opportunity to learn alongside IPF patients/caregivers will also be integrated.

Earn Complimentary CME Credit
