

The Wescoe Foundation for Pulmonary Fibrosis provides support, education, advocacy and resources for patients living with Idiopathic Pulmonary Fibrosis (IPF) as well as their care partners and families, in order to sustain the highest possible quality of life.

Wescoe Foundation for Pulmonary Fibrosis

Annual Report 2021

To Unite the Pulmonary Fibrosis Community

How we accomplish this:

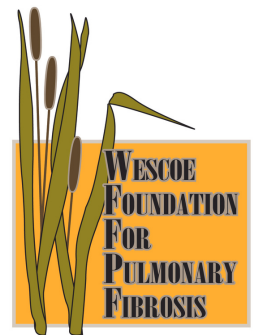

- Support Groups
- Educational Programs
- Podcasts/Webinars
- Community Events
- Resources
- Seminars

Message from our Executive Director

The year 2021 was an exciting and challenging year for the Wescoe Foundation for Pulmonary Fibrosis! We continue to grow and expand our outreach adding support groups, education, awareness events as well as new faculty to our Wescoe Team! In January 2021, it was our privilege to launch the PA-IPF Support Network, one of its kind in the United States, to unite the pulmonary fibrosis community in Pennsylvania and beyond its borders.

We are incredibly grateful for the patients, families, healthcare providers we have met over the years. It is our honor to serve you everyday. The Wescoe Foundation's Board of Directors have worked tirelessly in effort to help the Foundation grow year after year enabling us to fulfill our mission.

Looking to the future, Wescoe Foundation for Pulmonary Fibrosis will continue to build, working alongside our patients and families, board members, stellar staff and community partners to pursue our heartfelt mission.

To Unite the Pulmonary Fibrosis Community
